

2025/26 Schedule of Fees & Charges

Permanent &
Temporary Transfers

DISCLAIMER

This document has been compiled by Wilks Water detailing all fees and charges which **may** be incurred by clients through the trade process.

These fees and charges include Selling Fees, Administration and Compliance Fees, Government Agencies and Water Authority Fees and Charges.

Wilks Water has aimed to list the party (Vendor or Purchaser) who may be responsible for the fees and charges in the transfer process. However, this may vary depending on the individually negotiated terms of the transfer.

All transfers are subject to Water Authority approval which is beyond Wilks Water control.

This document is not exhaustive and is subject to change at the discretion of Wilks Water, the relevant Government Agency or Water Authority.

This Schedule of the Fee and Charges is updated annually or upon notification of any changes.
