

SUPPLEMENTARY WATER ACCESS FOR MURRUMBIDGEE

16 June 2014

NSW Office of Water has announced a limited period of access to supplementary water the Murrumbidgee River and Yanco/Billabong Creek. This follows rainfall over large parts of the tributary catchments. Please refer to page 2 for supplementary access details and dates.

All general security access licence holders may divert water during this period of supplementary flows, if the UCF limits of their accounts permit. Further, licence holders are reminded that all diversions count towards the annual usage limit of 100% of entitlement (excludes trades into accounts).

Customers wishing to access supplementary water must place a complying water order using one of the following options:

- Accessing WWW.statewater.com.au and logging on to your iWAS account.
- Faxing your order to **1300 871 447**
- Emailing your order to southorders@statewater.com.au
- Telephoning your order to **1300 662 077** During business hours

(Water order forms are available from the State Water web site

www.statewater.com.au/water-order-application

Customers are reminded that with the conclusion of supplementary access, orders must be placed in accordance with their licence conditions with consideration for lead order times.

For further information contact the Operations Officer, State Water Southern Valleys on (03) 5898 3925.

(See page 2 for details of supplementary availability).
